THEY'RE BACK!

**APPLE CIDER  
MARGARITAS**

MAD MEX

SCHPEEL

## What is “Funky Fresh Cal-Mex”?

Pull up a stool. We just mixed up margaritas with **good tequila** and fresh squeezed lime juice. Steaks and chicken are on the grill, and we grabbed some tomatoes and **jalapeños** for big bowls of salsa and guacamole. The tortillas are warm and the beer is cold. Get a big plate of everything and chill out. It's a **summertime**, wear your shorts, drink a beer, sweat a little, relax with friends, have a margarita, forget the clock, eat a burrito party. Just a good time. Thanks for coming in.

**FUNKY**

We spin an American food **mashup** of Mexican, Southeast Asian, and Spanish. We aren't scared to put fun things together if they **taste** good.

**FRESH**

Sure, there are easier ways to do it. But why would we put frozen food out for our favorite friends? We make just about everything **from scratch** daily. We believe that the closer we are to the Earth, to picking the vegetables from the field, the **better** the food.

**CAL**

Drawing on West Coast food: healthy, **fun**, local, experimental. No lard, simple marinades of **citrus and spices**. And microbrews. The trend that awakened on the left coast and ignited our **passions** for good beer made **here**.

**MEX**

Because we love Mexican food. Big flavors, big plates, **fire and sunshine**, beer and tequila to wash it down. Warm tortillas and big piles of rice and beans. **Guacamole!!!!!!** Avocados rule Mexico and they rule us. And Mexico is home to tequila, our favorite **hooch**. Viva la Margarita!
